

Interview Scene

(Come up with an interview scene where you are both playing **characters that are not yourselves**. You will have an opportunity to be both the interviewer and the interviewee.
****For the script you write you are the interviewee!**)

Tips:

- The interviewer can be as interesting as the interviewee
- Don't waste time with boring/general questions, start from a specific viewpoint or have an interesting newsworthy item to discuss

Example:

boring/general: *Who are you?*

Interesting: *I'm here with Doctor Flugenhammer and he is going to discuss his amazing age reversing formula creating from rotting banana peel extract!*

SCRIPT/QUESTIONS - (*minimum 10 Questions and Answers*) (10 points)

Q1:

1. How'd you get into my world?

I was studying how to travel between alternative dimensions, and accidentally dropped a crayon in the alternative dimension machine. Thus I am here, how do I get out now?

2. Why do super heroes always wear their underwear over their pants?

Superman started the trend and everyone picked it up. At least my colors match.

3. How come your a super hero when you don't have actual superpowers?

I've been asked that questions many times. I still don't know how to answer it. I just wanted to make my city safer.

4. Are you friend's with superman?

No, he's a show off.

5. Why don't you use more brighter colors like superman does?

I'm supposed to be a bat. Its supposed to be dark, and bad guys usually come out at night. So its easier for me to surprise attack them when I'm camouflaged in the dark.

6. Are you really a good guy? You look more like a bad guy.

I'm a good guy....you shouldn't be asking that question. What are you supposed to be?

7. How come there's always more bad guys than good guys?

I always ask that as well....I really don't know

8. If there was an old grandma in danger and a hot young lady, which one would you save? You can only save one.

Obviously the Hot lady. Wouldn't you do the sme?

9. How do I become like you?

You have to go to a mountain in Nepal and train with ninjas.

10. Where do you get all your ideas of inventing your weapon

I don't. Alfred does.
